I hope you guys have a great rest and thank you tutors that stay up late and help (:	7th
My tutor was really nice and even though I felt dumb after I figured out how to do the problem. She helped me feel like I'm a bright student.	9th
Good	9th
When I submitted my answer online for homework it said it was wrong	10th
This tutor was great, and motivated me and also helped me with my confidence. I understand the problems more clearly now.	10th
Laura B was really helpful and patient. I learned more from her in less than 10 minutes than what I've tried to learn for at least 3 weeks. Thanks	10th
rock on	10th
The board was a great tool to help me understand the graphing and my tutor was very positive and encouraging :)	11th
Enrique B. did a great job connecting with me and helping me understand my physics problem! She explained it in multiple ways, and she also used concepts and ideas to put it all together. If I didn't quite grasp something, she made it clear by explaining it to me in a different. It was a pleasure to have her as a tutor!:)	11th
Christopher was very helpful in helping me with my physics problems!	11th
can only help with one equation. gets confusing when typing and you can't type certain symbols on a computer	11th
Wonderful tutor, needs more like these!	11th
