

A Beautiful Day in L. A.

Chorus:

Oh, it's a beautiful day in L.A.!
I met a very nice guru who assured me today,
"Great vibes are certainly headed your direction, your way,
'Cause it's a truly sensational day!"

Cruised the Sunset Strip in daylight,
And the trails at Griffith Park;
I saw the Dodgers win at baseball;
Hit the nightclubs after dark!

(Chorus)

I went to Malibu, Hermosa, and Redondo at the pier;
Santa Monica was looking oh so fine,
Then to Tujunga, Cucamonga, Pasadena, Highland Park,
And back home again past Hollywood and Vine!

Oh, it's a beautiful day in L.A.!
I met a very nice guru who assured me today,
"Great vibes are certainly headed your direction, your way,
'Cause it's a truly sensational, recreational,
inspirational day!"
