# DICKINSON STATE UNIVERSITY SENIOR LIVING

This unique university senior living community will provide Dickinson State University Alumni, Faculty, Friends and local residents the opportunity to remain active in the University and local community

they have contributed to and been a part of over the years.

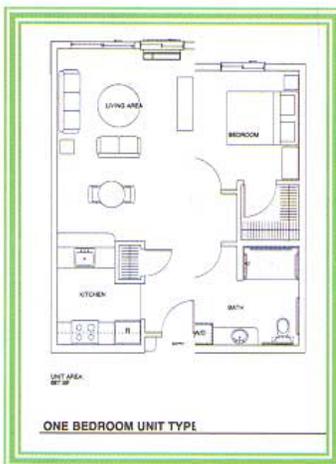

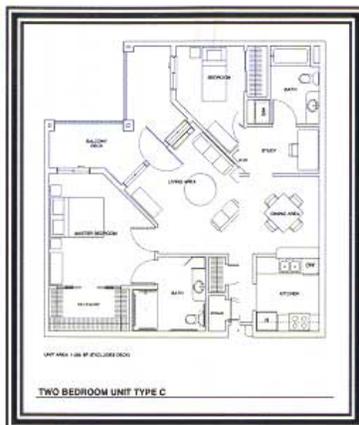

The project will have luxurious interiors and beautifully landscaped courtyards located on the Dickinson State University campus, with all of the conveniences and amenities of University living.

Enjoy the companionship of fellow alumni, faculty and new friends while engaging in a multitude of University, social and recreational activities to stimulate your intellectual, physical, cultural and leisure interests.

At Dickinson State University Senior Living you will find refined and secure living options with a full palette of lifestyle choices ranging from Independent Living Cottages and Apartments to Assisted Living units providing for assistance with activities of daily living, a secure Alzheimer's/Dementia Wing and Private Hospice units.

## FLOOR PLANS

Variations of One Bedroom, Two Bedroom and Studio apartments will be available to select from. Examples of typical unit types are shown. Actual unit types may vary in size

and layout once designwork for the facility is complete.

Designed with professional plan features, spacious rooms and beautiful common areas, this facility will provide for an active lifestyle with

supportive services. Privacy and style will be a benchmark at Dickinson State University Senior Living.

Enjoy the best that retirement life has to offer. Consider a move to **Dickinson State University Senior Living!** You'll be glad you did!
