Whether you're searching for information about healthy living, auto repair, genealogy, current affairs, prescription drugs, history, or renewable energy, you'll find what you need using North Dakota's Online Library Resources. It's information for your life!

FREQUENTLY ASKED QUESTIONS

WHAT ARE ONLINE LIBRARY RESOURCES?

Online Library Resources are reliable online research tools, providing credible information in a variety of formats including full text articles, images, maps, transcripts, audio, and video clips. Most of this information can be printed, cited, e-mailed, and saved.

HOW CAN I ACCESS ONLINE LIBRARY RESOURCES?

Online Library Resources can be accessed at your library, through your library's website, or through the State Library website at www.library.nd.gov (under 'Find Library Items'). If you forget your login information or have questions about accessing the Online Library Resources, please contact your library, school, or the North Dakota State Library.

WHERE CAN I GO FOR HELP?

The State Library has developed training aids to help you get the most out of Online Library Resources. A comprehensive search guide and video tutorials are available on the State Library website. You may also contact your library, school, or the North Dakota State Library for personal assistance.
