Search PebbleGo

Cansto

guided keyword or drill down visual searching

click on the wheel to read a random article

the "Copy Link" button allows educators to share targeted information through an EdTech tool

 Amphibians	 Animal Behavior	 Animal Classification	 Animal Habitats	 Birds
 Dinosaurs	 Fish	 Insects and Spiders	 Invertebrates	

content in each module is reinforced through six games

Games

Question of the Day

answer the "Question of the Day" and compare your vote with student responses from around the country and world

▶ Thomas soon **invented** better **telegraph** machines. In 1876 he moved to Menlo Park, New Jersey. Thomas built a large **laboratory**. He asked other good scientists to work with him. In 1877 he **invented** the **phonograph**.

Thomas with a phonograph

clicking on **bolded text** leads to definitions and pronunciations

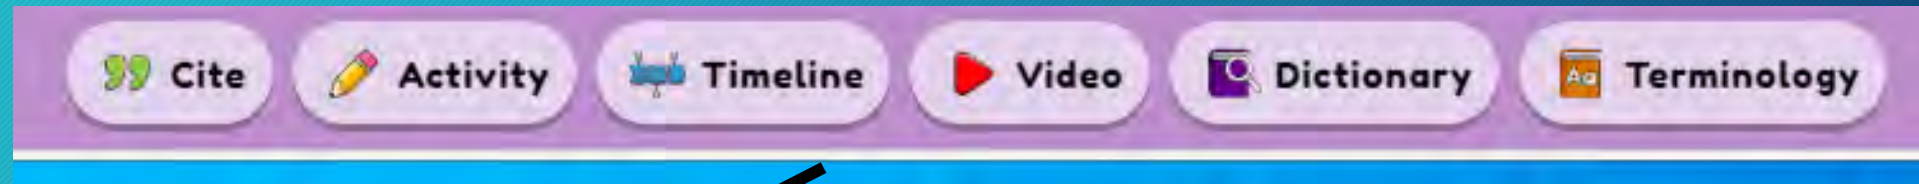

**invent** - to create a new thing or method

# Extended Learning

examples of extended learning in PebbleGo include accompanying video and/or audio, range maps (for animals), an extension activity, and more

examples of extended learning in PebbleGo Next include an event timeline, music, access to definitions provided by Merriam-Webster, terminology associated with topic being viewed, and more

# PebbleGo & PebbleGo Next

- aligned to state and national standards
- offers tiered instructional support to meet various levels of student needs
- created with interactive content
  - encourages student curiosity and self-directed learning
  - builds foundational reading and research skills
- offers hundreds of articles and continues to add new content

# Further Resources

click on the “Educator Resource” button at the bottom of the page to access resources such as lesson plans and activities, content maps, and correlations to state and national standards
