RE: Governor - Out-of-State Travel - Blanket

This will acknowledge receipt of your request for an opinion as to the legality of blanket authorization to certain employees to travel out of state short distances, when such is required by their employment.

Under the provisions of section 54-06-10, North Dakota Century Code, it would appear that single trip or blanket authorizations can be granted by the governor.

If you are satisfied as to the necessity and the governor concurs by granting written blanket authorization, it would appear that the requirements of the statute have been met.
